Hi Blair,

I'm just waiting to hear back from our City Attorney re: the need for a revised letter given that this is just a renewal of the original MOU. The MOU renewal contract is ready to go though!

Thanks for the reminder, Blair, on the cover letters.

Brian has the background and will take things from here.

We just need the updated letter as was attached to the last MOUs in our previous renewal per the board vote waiving the HCBID liability in the event of an accident. It should be on file with the last MOUs/was a part of the package.

Thanks!

Blair and Noah-

One thing we didn't have a chance to discuss today is the need to renew the expired MOUs for the existing parklets. They still need those agreements in place until removal.

Cc-ing Brian at LADOT so y'all can set up a time to sign. Brian and our consultant have the signature docs all ready. Valerie
